

Colintraive and Glendaruel Community Council

Draft Minutes of AGM

Monday, 19 May 2014 at 7.30 pm

Colintraive Village Hall

Present: Cathleen Russell, Anne Lamb, Tom Mowat, Martin MacFarlane, John Sutton, Danuta Steedman, Fiona Hamilton

Apologies: Danielle Clark, Moira Donald

Convenor's Report

Thanks to all for attendance and support. For the short period this present Community Council has been convened it has been very busy.

The Kilmodan Acre Trust has been reconvened which has helped to drive forward the Greener ColGlen poly-tunnel project in Glendaruel and thanks has to go to Sara and her team. Regular updates from Police and Health have been reintroduced.

Issues that have arisen have been;

- Colintraive slip-way
- the advertising trailer that appeared in the field next to the ferry
- the proposed hydro scheme at Ardentraive
- road repairs

We are trying to work in close partnership with the ColGlen Development Trust to meet the needs of the community.

A special thanks goes to Martin and his team, who worked hard to put the Resilience Plan together.

Treasurer's Report

Income comes from Council of approx £300 per year. We have few expenses and now have a balance of £2,600.83.

It was suggested that Danielle be compensated for all the hours she puts in. An honorarium was suggested as the way to do this.

New signatories have not yet been added to account, so Tom has paid some bills from his own account.

Thanks to Sandra Webster for auditing the books.#
