		<p>of 3 million. Most are reasonable savings or cuts. Privatisation is one of the curs.</p> <p>Secret paper: closing all care homes and day care centres. There is only a slight chance of board accepting these cuts.</p> <p>Officials have to submit balanced budget but board can revise it. Is concerning as people will not come and live here if no proper care.</p> <p>Suggestion: Need to keep eye on it and if necessary call a public meeting to inform people with as many people as possible present.</p>	
10	Planning	None	
11	Scotland Resilient Communities Fund:	<p>Steven McKellar proposed a small electric van for shopping and deliveries driven by volunteer, or if enough money available, by a paid employee. Minibus could also transport people. Sit together and come up with a plan. CHDT supportive and anxious to get it up and running.</p> <p>PvdW, CR and DS to formulate plan.</p>
